

Items	Spec.
Size	OD 20-5000 mm
Temp Range	-65 °F to 600 °F
Pressure Resistance	Up to 5000 PSI
Diaphragm Type	<input type="checkbox"/> Reinforced fabric: Nylon, Polyester etc. <input type="checkbox"/> Non reinforced fabric <input type="checkbox"/> Rubber to metal boned <input type="checkbox"/> Rubber to plastic boned <input type="checkbox"/> Rubber diaphragm solenoid valves
Application	Control valves / Valves / Gas Meters /CNG,LPG / Air Compressor etc.
Properties	High precision, high oil resistant, temperature resistant, high pressure resistant, Chemical resistant
Materials	CR, EPDM, Silicone, Viton, NBR, NR, IIR, etc.
